AgForestry graduates are leaders who...

- Advocate for issues important to their industry, operations and communities
- Communicate skillfully, collaborate on tough issues and seek common sense solutions
- Understand policy development
- Work effectively with lawmakers and decision influencers
- Are critical thinkers who strive to keep Washington's natural resource industries vibrant and growing
- Provide grassroots leadership by serving local, state and federal governments and non-profits
- Are forward thinking and have a vision for a better future
- Desire to positively impact lives and communities throughout the world

To apply for the next Class, nominate a candidate, or read more information about the Leadership Program, go to agforestry.org/candidates

What is AgForestry Leadership?

Recognized as the premier leadership development program in Washington State, the Agriculture and Forestry Education Foundation began its first class in 1978. The program offers hands-on learning for people working in agriculture, forestry, fisheries and natural resources.

Over 18 months, 13 leadership seminars are presented:

- Leadership and Communication
- Group Dynamics and Public Speaking
- Working with Media
- Social Services
- State Government
- Forestry
- Agriculture
- The Columbia River System
- Crime and Corrections
- Transportation
- National Government - Washington, D.C.
- International Trade, Culture and Government
- Leadership Resources and Graduation
